ADDENDUM #3

RFP-2019-DMS-01-EQRO
External Quality Review Organization (EQRO)

On December 14, 2018, the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting proposals from vendors to provide External Quality Review (EQR) services to the Department.

The Department is publishing this addendum to:

1. Delete and replace Section 3, Statement of Work, Sub-section 3.1 Scope of Services, Paragraph 3.1.6 Produce a Technical Report, Sub-paragraph 3.1.6.1, with:

- 3.1.6.1 The selected vendor must produce an annual detailed Technical Report pursuant to 42 CFR 438.364 (a). The report must include results for each MCO participating in New Hampshire Medicaid's Care Management program with results for each of the following EQR activities:
 - 3.1.6.1.1. Contract compliance audit;
 - 3.1.6.1.2. Performance measure validation audit;
 - 3.1.6.1.3. Performance improvement project validation;
 - 3.1.6.1.4. Encounter data validation;
 - 3.1.6.1.5. Additional quality studies;
 - 3.1.6.1.6. Network adequacy validation;
 - 3.1.6.1.7. Additional EQRO activities.

2. Delete and replace Section 3, Statement of Work, Sub-section 3.1 Scope of Services, Paragraph 3.1.8, Conduct Validation of Provider Network Adequacy, Sub-paragraph 3.1.8.1, with:

- 3.1.8.1 The selected vendor must conduct activities to validate each MCO's provider network to assure compliance with 42 CFR 438.68, per 42 CFR 438.358(b)(1)(ii).

3. Delete and replace Section 3, Statement of Work, Sub-section 3.1 Scope of Services, Paragraph 3.1.9, Conduct Focus Studies of Health Care Quality, Sub-paragraph 3.1.9.3, with:

- 3.1.9.3 The selected vendor must create a methodology and tools to administer quality studies which must be approved by the Department. The quality focus studies must be conducted following activities listed below (from the CMS EQRO Protocol #8):
- 3.1.9.3.1. Select the study topic(s);
 - 3.1.9.3.2. Define the study question(s);
 - 3.1.9.3.3. Select the study variable(s);
 - 3.1.9.3.4. Study the whole population or use a representative sample;
 - 3.1.9.3.5. Use sound sampling methods;
 - 3.1.9.3.6. Reliably collect data;
 - 3.1.9.3.7. Analyze data and interpret study results; and
 - 3.1.9.3.8. Report results to the state.

4. Add to Section 7, Proposal Outline and Requirements, Sub-section 7.2, Outline and Detail, Paragraph 7.2.2 Technical Proposal Contents – Detail, Sub-paragraph 7.2.2.10, Required Attachments; Part 7.2.2.10.4, to read:

7.2.2.10.4. Appendix G, Vendor Reference Check

5. Add Section 9, Additional Information, Sub-section 9.8 Appendix H – Sample Network Adequacy Reports

Network.01 Comprehensive Provider Network and Access Report
Network Adequacy - County Summary

First due date for this version of template: 11/1/2018

This template will be completed semi-annually and provide DHHS with a point-in-time evaluation of the MCO's provider network compared to the MCM contract time and distance standards at the county level. In the template the MCO will evaluate time and distance standards at the county level for each provider listed in the "Provider Type List" tab.

Row 5

Column A: "Member County"

This column is prefilled with Member County.

Column B: "Provider/Specialty Type or Type of Facility"

This column is prefilled with Provider/Specialty Type or Type of Facility.

Column C: "Total Health Plan Members in County"

Document the number of members enrolled in the health plan who physically reside in the county. See "Provider Type List" tab for specific populations associated with each provider type.

Column D: "# of Providers by Type Who Serve County Health Plan Members"

Document the total number of network providers who serve members in this county. Note: The provider does NOT have to be physically located in the county.

Column E: "% of County Health Plan Members Who Meet Travel Time Standard"

Document the percent of county health plan members who meet the travel TIME standard for a given County and Provider Type. Calculated by dividing the sum of the number of members within the standard travel TIME threshold for the Provider Type by the Total Health Plan Members in County.

Column F: "% of County Health Plan Members Who Meet Travel Distance Standard "

Document the percent of county health plan members who meet the travel DISTANCE standard for a given County and Provider Type. Calculated by dividing the sum of the number of members within the standard TRAVEL distance threshold for the Provider Type by the Total Health Plan Members in County.

Column G: "For PCPs Only, % of County Health Plan Members Within Travel Time & Distance Standard to More Than One PCP"

Document the percent of county health plan members who meet the travel TIME or DISTANCE standard for at least two PCPs in a given County. Calculated by dividing the sum of the number of members within the standard travel TIME or DISTANCE threshold for at least two PCPs by the Total Health Plan Members in County.

Sample Network Adequacy Reports**

Column H: "90% of Time or Distance Standards Met? (Y/N)"

Document whether 90% of time AND/OR distance standards have been met. Enter a "Y" if Column E or F \geq 90%. Enter a "N" if Column E and F < 90%. For PCPs enter a "Y" if Column G is > 90%. For PCPs enter a "N" if Column G is <90%.

Column I: "If N for column H, has an Exception Request Been Included in Network.10 report? (Y/N)"

When a "N" appears in Column H, note with a "Y" or "N" if an exception request for the provider and county combination was included in Network.10.
When a "Y" appears in Column H, do not enter anything into the cell.

County Sum Semi-Annual Template

Purpose: To be completed to accompany and correspond with the Semi-annual Network.01 report. The template should be accompanied by a completed Provider Listing tab.

Template First Due: 11/1/2018

Column	Column Name	Definition
A	Member County	Defined as one of the following: Belknap, Carroll, Cheshire, Coos, Grafton, Hillsborough, Merrimack, Rockingham, Strafford or Sullivan. "Member County" shall be based on Health Plan member physical residence.
B	Provider/Specialty Type or Type of Facility	As captured in the "Provider Type" List of Network.01. If a participating provider accepts responsibilities under more than one Type/Specialty or Service Location, the provider shall be counted in both Type/Specialty categories with appropriate member counts for each category.
C	Total Health Plan Members in County	Based on Health Plan member physical residence.
D	# of Providers by Type Who Serve County Health Plan Members (List providers in Provider Listing Tab)	The sum of providers by type for member county. A detailed list of these providers should be provided in the Provider Listing tab. Note, providers do not physically need to be located in the county.
E	# of Out-of-Network Providers by Type Meeting Time or Distance Standards for County Health Plan Members (List providers in Provider Listing Tab)	The sum of providers by type for member county whom the MCO does not have enrolled in the MCO network. This will include providers that the MCO does and does not have the ability to authorize non-participating provider agreements with. A detailed list of these providers should be provided in the Provider Listing tab.
F	% of County Health Plan Members Who Meet Travel Time Standard	For a given County and Provider Type. Calculated by dividing the sum of the number of members within the standard travel time threshold for the Provider Type by the Total Health Plan Members in County (Column C).
G	% of County Health Plan Members Who Meet Travel Distance Standard	For a given County and Provider Type. Calculated by dividing the sum of the number of members within the standard distance threshold for the Provider Type by the Total Health Plan Members in County.
H	For PCPs Only, % of County Health Plan Members Within Travel Time & Distance Standard to More Than One PCP	As defined in MCO Contract.
I	# of County Health Plan Member in Column "C" Utilizing Provider Type in the Prior 12 Months	Unique number of "Total Health Plan Members in the County" who have utilized services from this provider type in the past 12 months.
J	Reason for Exception Request	Select from the drop down box one of the three allowable reasons for seeking an exemption. (1) "Lack of qualified providers willing to contract with the MCO" is defined as providers who are not willing to enter into a contract with the MCO OR a qualified provider does not exist in the applicable location. (2) "Qualified Providers Refusing a Reasonable Fee, Rate, Term, or Condition" is defined as providers who are willing to enter into a contract with the MCO, but refuse an agreement with a reasonable Fee, Rate, Term, or Condition. (3) "Requested specialist service can be provided by telehealth as authorized by 167:4-d." is defined as the MCO proposing to fill a gap in the provider network through the use of telehealth.
K	NPIs of Providers Able to Serve Members in the County Who Are Not Willing to Contract With MCO (If Applicable)	When selecting the reason "Lack of qualified providers willing to contract with MCO." in column J, list the National Provider Identification numbers of each provider that is not willing to contract. Use group providers in lieu of individual providers when applicable.
L	# of Providers Refusing a Reasonable Fee or Rate (If Applicable)	When selecting the reason "Qualified provider refusing a reasonable fee, rate, term or condition." in column J, list the number of providers refusing a reasonable fee or rate. Use group providers in lieu of individual providers when applicable.
M	# of Providers Refusing a Reasonable Fee or Rate that were Offered the NH Medicaid FFS rate (If Applicable)	Complete when selecting the reason "Qualified provider refusing a reasonable fee, rate, term, or condition." in which a provider is refusing a reasonable fee or rate. Indicate with a "Y" or "N" if the provider has been offered at least the NH Medicaid FFS rate. If there are multiple provider groups, list each provider's NPI and the "Y" or "N" indication in the same cell (e.g. 334343-Y; 3534343-N). Use group providers in lieu of individual providers when applicable.
N	# of Providers Refusing a Reasonable Fee or Rate that were Offered the Medicare Rate (If Applicable)	Complete when selecting the reason "Qualified provider refusing a reasonable fee, rate, term, or condition." in which a provider is refusing a reasonable fee or rate. Indicate with a "Y" or "N" if the provider has been offered the Medicare Rate. If there are multiple provider groups, list each provider group's NPI and the "Y" or "N" indication in the same cell (e.g. 334343-Y; 3534343-N).
O	Briefly Describe the Term or Condition Being Refused by the Provider (If Applicable)	Complete when selecting the reason "Qualified provider refusing a reasonable fee, rate, term, or condition." in which a provider is refusing a term or condition. Briefly describe the term and/or condition.
P	MCOs Solution for Deficiency	Provide the MCOs plan to meet the standard and to assure services are provided to members in the interim.
Q	New Exception (Y/N)	Identify whether an exception was newly identified.
R	If "N" to Column L, which Periods was the Exception Previously Reported In. (e.g. 2016Q1&2, 2016Q3&4)	If an exception was previously included in Network.01, which past reports was the exception included in. Use the following labelling convention: Network.01 report due on 8/15/16 = 2016 Q1&Q2. Maximum look-back period is the Network.01 report due on 8/15/15.
S	If "N" to Column L, Describe the Progress Made Since the Exception Was Reported	If an exception was previously included in Network.01, what progress has been made since the issue was last reported on Network.10.

County Sum Provider Listing Tab

Purpose: To be completed to accompany the Semi-Annual and Non-Semi Annual template. This tab will provide an individual provider list for providers captured in column D and E of the Semi-Annual and Non Semi-Annual templates.

Column	Reporting Element	Definition
A	Member County	Defined as one of the following: Belknap, Carroll, Cheshire, Coos, Grafton, Hillsborough, Merrimack, Rockingham, Strafford or Sullivan. "Member County" shall be based on Health Plan member physical residence.
B	Provider/Specialty Type or Type of Facility	As captured in the "Provider Type" List of Network.01. If a participating provider accepts responsibilities under more than one Type/Specialty or Service Location, the provider shall be counted in both Type/Specialty categories with appropriate member counts for each category.
C	Practitioner Last Name or Facility Name	The individual provider's last name or name of the facility.
D	Practitioner First Name	The individual provider's first name or leave blank if a facility.
E	NPI	National Provider Identification Number.
F	Medicaid ID	Provider's Medicaid ID.
G	Location Street Address	Provider's physical address used to determine network adequacy.
H	Location City	Provider's physical city used to determine network adequacy.
I	Location State	Provider's physical state used to determine network adequacy.
J	Location Zip Code	Provider's physical zip code used to determine network adequacy.
K	MCO Network (Y/N)	Identify if the provider is enrolled in the MCO's network.
L	# of Unique Members Served	Number of unique members utilizing the provider in the performance period of the report. For example, report due on 2/15/16 = 2016 Q3 and Q4.
M	# of Claims Billed	Number of clean claims paid to the provider, with service dates that occurred during the performance period of the report. For example, report due on 2/15/16 = 2016 Q3 and Q4
